Front row, L. to R. they are: Mr. Hruschak, Mrs. Peter, teacher at the High School, Joe Hruschak, High School Principal, McManus, Centre row, L to R, Mrs. Kwanycia, mother of Graduated Peter Kwanycia, Mrs. Hruschak, Elementary School Principal John Gray, Dr. V. Kupchenko, high school teacher, Mrs. Miller, high school teacher and Mr. Kwanycia, Back row: Mrs. McManus, Mrs. Jean Moore, former teacher in Drayton Valley and now teaching in Devon, Mrs. Joan Gray, secretary at the elementary school and Mr. Miller, teacher at the high school.

### NEW BANK IN DRAYTON VALLEY

Drayton Valley is to have an Alberta Treasury Branch, opening June 12. Superintendent C. G. Davey announced the branch will be located in the main premises of the provincial building formerly occupied by the Alberta Liquor Store. The building has been completely renovated to make way for the new Drayton Valley service.

Employing a staff of five, including manager A.A. Braden, the Drayton Valley Treasury Branch will offer a complete line of financial services, including facilities for night deposits.

Town residents will have an opportunity to inspect the modern premises on the evening of June 9th from 7 to 9 p.m. Treasury Branch offices are expected to attend and officially open the new branch.

The establishment of a provincial government Treasury Branch at Drayton Valley brings to 54 the number of branches opened since 1938 when the first one was opened at Edmonton. During 1961 branches have been opened at Edmonton and Breton. Further plans for this year include establishments at Calgary and Jasper Place.

### LADIES SOFTBALL TEAM

Drayton Valley Legionettes played in a Ladies Softball Tournament in Lodgepole last Saturday and did real well by their sponsor, the Drayton Valley Legion.

In the first game they played against Lodgepole girls and won quite handsily with a score of 15 - 2 in a seven inning game. In the final game against Tomehawk girls they won with a more even score of 8 - 7. During the games there were several home runs. The Legionettes are shaping up as trophy winners for this season. They expect to play in Northern Alberta and Alberta Provincial playoffs.

Lineup for the local Ladies team was as follows:

Back Catcher, Germaine St. Louis, Pitcher Ethel Jones and Bryan Berger, First Base Shirley

## GRADUATION

The Toast given at the Graduation Banquet are as follows:

TOAST TO THE SCHOOL BOARD GIVEN BY PETE KWASNTCIA

Mr. Chairman, Honoured Guest, Ladies and Gentlemen, I have been asked to propose a toast to the school board. These men through the years have worked hard to provide us with the very best facilities and staff available. Their job is to obtain the necessary funds to provide for our education. Setting school policy and looking after the many details involved in operating a school system is a great responsibility. Our present board has worked hard and long, often with little thanks. So ladies and gentlemen, we the graduates wish to express our thanks to the school board for all their efforts. On our behalf, I give you the School Board.

CLASS HISTORY GIVEN BY JOYCE SCHULTE

Mr. Chairman, Honoured Guest, Ladies and Gentlemen, Of course grade 12 students never do anything they shouldn't do while at school so I had to find out about a few things they had done to previous years.

When questioning Pete, he said he didn't have time to do anything as he spent all his time studying. Nevertheless he found time to throw a ball of waxy on one of his teachers after he told him that he wouldn't do it.

Speaking of throwing things, I throw something too. We were cleaning up the gym one day after a basketball game and I picked up a lemon and threw it at one of the boys. Just as I threw it he moved and my principal

who was about 5'7" was right behind him. Extra homework. How hard I would have to throw a lemon, at a certain distance to hit him with a certain impact.

Terry McQuig must have thought he was Gen. Washington at one time. Otherwise why would he go out and chop down the trees in the school grounds?

I guess Gayle must have thought it was time for a fire drill a few years back. She, along with a few other students, wound and set an alarm clock and then placed it in the wastepaper basket. It must have made a terrible noise because the teacher ran out to see if the school was on fire.

He must have thought his teacher would have more success teaching an animal than the class when he brought a horse into the classroom.

I didn't know Ted enjoyed smoking a pipe. Maybe he smokes pipe in a school basement changes the taste.

John may be shy and afraid of girls but he likes lipstick. He must otherwise why would he smear lipstick all over one of the girls in his class?

Howie told me that he once won a prize at a May Day celebration. He had decorated his bicycle to ride in the parade. Can't you just see Howie on his souped up three wheeled contraption?

We always have our fun at school but it is hard work to get where we are today.

TOAST TO THE PARENTS GIVEN BY TED CYMBALUK

Mr. Chairman, Honoured Guest, Ladies and Gentlemen.

Throughout the years in school one of the main factors in my success has been the support and encouragement, not always verbally, given me by my parents. This I am sure is true for each and every graduate. I feel sure that all the others received more non-verbal encouragement than I, probably because I was a better liar.

Seriously though, I wish to express our heart-felt thanks to our parents for giving us a wonderful opportunity to go through school. With these thoughts in mind Ladies and Gentlemen I will ask you to rise.

Ladies and Gentlemen - Our Parents.

CLASS PROPHECY GIVEN BY TERRY McQUIG

Mr. Chairman, Honoured Guest, Ladies and Gentlemen.

I have been chosen to give the prophecies of the 60-61 graduating class of Frank Maddock High School.

JOYCE SCHULTE

To Howie she's bound, To see the world, And Maie sure it's sound, Someday she'll stop, We don't know where, But when she does she'll be at the top.

G. McMANUS So young and peck, A teacher she'll be By some strange quirk, We wish her luck, Whenever she goes, And hope that no-one steps on her toes.

JOSEPH BRUSCHAK

Although not to tell,

Will fly into space, Making us very small, With test tube and burner, And all that it takes, A chemist he'll be, By some strange fate.

JOHN HUTCHINSON

Who's handsome and dark, Says, though money isn't everything, A rich young woman he will spark, His future, it is plain to see, A politician he will be.

PETER KWASNTCIA

A C.N.R. employee he wishes to be, For moving of freight he likes to see, Farming he thinks is not for him, Railroad work will fill his life to the brim, He knows, from us, he has the best, With him luck as he heads west.

THEODORE CYMBALUK

With his dark curly hair, His brocken profession he will share, To the U. of A. he will go, But to return a teacher so, With sorrow in our hearts we say, Good luck it's time to leave.

HOWARD HANZEN

With Humor and Spark, Has lit up our school, As though from the dark, But my friends he is no fool, For as he will surpass, For figures are his best you see, An accountant he will be.

TERENCE McQUIG

Who's tall and slim, Has been with us, Through thick and thin, We wish him luck,

(Cont., page 5, Col. 5)

And hope someday, His future will unfold.

With that my friends, I'm sad to say, Good, As usual, The end is near, for us today Thank you!

VALENTINORIAN BY JOE BRUSCHAK

Mr. Chairman, honored guest, Ladies and gentlemen:

Tonight, this year's graduating class is giving its formal farewell to high school.

We all recognize the fact that this graduation exercise and the diploma of matriculation are the culmination of 12 years' effort.

With this thought in mind, it may be well to reminisce about the portion of our lives spent in the classroom. It is apparent that besides the three R's we learned other things -- such as citizenship, co-operation, and perhaps a day bit of worldliness.

Some things, however, disappoint us, we could not find. One of these is complete world knowledge. Upon entering school for the first time, in grade one, we all had an impression of some amazing world knowledge, and conquering the world, so to speak. However, this disappointment was just a part of growing up, and none of us seem to have suffered greatly from it.

Next, I would like to quote a wise man who said, "We all are a part of our friends and acquaintances, and they, a part of us."

Oh, how true that is! For every person is a born mimic; there is

(Cont., page 5, Col. 5)

## Summer Sale!

## GRADUATION

(Cont., from page 4, Col. 5) no denying it. We imitate all qualities and mannerisms we see and admire, either consciously or subconsciously; thus, truly fashioning ourselves after all our friends, relatives and acquaintances.

Therefore, I should like to take the time to express our gratitude to all the people who have so influenced our lives.

First, our parents, who have given us so freely, and guided us through life for the biggest portion of a score of years. Then, our teachers, who have endured our presence for some 12-odd years, our school board, which has provided us with teachers and school, and also our church group, clubs and their related activities.

As I have previously mentioned, this is our formal farewell and we would all like to say "Farewell, dear Alma Mater" as we part to wear our bit into the tapestry of life, and pass, for the most part, out of each other's dense lives.

Farewell, Let us go with hearts a little saddened but faces uplifted towards the new horizon. Let us go forward our next objective hand in hand with God. Farewell.

## LEGION LADIES' AUXILIARY NEWS

These more applications for membership were accepted in May, we now have a total membership of Fifty Five.

Two members were delegated to attend the convention in Medicine Hat, but due to circumstances beyond control, Mrs. R. Boles and Mrs. F. Jenkins were unable to attend, other members were asked to attend but none could do so.

The Ladies Auxiliary catered to the boxing banquet at 11:30 p.m. on May 19th, approximately 180 boxes and officials attended the affair.

The Saturday night Bingo's have been discontinued until further notice, the last Bingo was held on May 20th.

The next meeting will be held on June 15th in the Legion Hall at 8 o'clock pm.

Mrs. L. Ralnforth a Mrs. D. Cochran will be hostesses.

World all members please try to attend.

That's all for now, Auxiliary News Reporter, Patricia Jenkins.

## Guides and Brownie Mothers MEET

The Annual Meeting of the Guide and Brownie Mothers Group was held on May 17th in the Scout Hall.

The major activities of the Group for the past year were the ticket sale for Calgary Powertown Cooking School; Christmas Concert; provided uniforms for Guide and Brownie leaders; provided funds for handicraft programs for Guide and Brownie.

Packs: Pot Luck Supper, Youth Rally for Thinking Day; Amulet Leaders with campers; Leaders with transportation on Cookie Day.

The new executive for the following year were elected as follows:

President - Mrs. Lila McLean  
1st Vice President - Mrs. Frank  
2nd Vice President - Mrs. Al. Wagner  
Secretary - Mrs. Evelyn Cameron  
Treasurer - Mrs. Evelyn Hulse  
Badge Secretary - Mrs. Winnie Ward.

On behalf of the mothers, the executive would like to express gratitude to the faithful leaders of the Guide and Brownie Packs for their loyal work during the past season. May we, too, express our appreciation for the help given to us during the past season by the mothers and hope for the continued support of all Brownie and Guide mothers in the future so that we will be able to support fully the program outlined by the leaders for the following season.

## Looking at Recreation

By Michael Gossley,  
Recreation Director.

### A NEW PLAYFIELD

As of now Drayton Valley has a new playfield in the making. The purchase and development of the necessary land for this recreational facility was unanimously approved by the people of the town in a plebiscite held on May 31. Approximately 88% of the voters were in favor of this new development.

The question came up as to the part this new area will play in the community's recreation program in comparison to the Rotary Park and the presently developing Lions Park. The most logical answer lies in the fact that in reality we are dealing with two different facilities. The new project, as I said will be community playfield while the other will fall under the classification of playground. The names may sound identical and without seem interchangeable, however, there is a world of difference between the two facilities.

A playground could be very adequately described as the chief outdoor play area for all neighborhood children from approximately four to ten years of age. Originally this term was used for a child's area alone. In recent years, however, the thought is increasingly accepted that children and adults need not necessarily be served at entirely separate centers nor need their activities be entirely apart from each other. The neighborhood playground, such as our Rotary Community Park should include a simple variety of recreational facilities for the short daily leisure periods of every member of the entire family. Being the most accessible area in the neighborhood, naturally its greatest use is by children whose needs are the first met with, however, and some and similar facilities. Such a playground can, however, include facilities which serve children, youth and adults alike, such as softball, basketball, volleyball, shuffleboard, and even crafts and even dramatics and music. In other words the playground is meant to take care of those activities which do not require organization for individuals and groups, for activities which are more of a spontaneous nature rather than definitely planned or scheduled, whereas the participants be children or adults of any age.

These are standard equipment and facilities common to most neighborhood playgrounds, however, this does not mean that such grounds have to be set up strictly according to those standards. The truth is that traditional, economic and other distinctive neighborhood characteristics may not only determine the

types of activities and facilities which should be provided, but also can and should provide for making the area highly attractive and unique in its particular sphere.

A neighborhood playground must be so located and protected as to eliminate, as far as humanly possible, the chance of any traffic accidents to youngsters either en route to or from the grounds or engaged in play on the area. The purpose of any supervision as well as a safety measure it is always well to have appropriate concerns and in one section of the playground. A shelter house or dressing rooms, such as we have at the Rotary Park is essential feature in a playground area. This particular building generally serves as a control center and especially in our case it is the major architectural feature of the playground. The various areas and facilities of any playground should be planned and laid out so as to minimize maintenance costs, maintain safety, reduce the risk of public misuse and provide for multiple use of facility.

So much about the playground area now the question: What is a playfield? The playfield such as is planned to serve Drayton Valley on the thirty-two acre area south of town, as contrasted with the children's playground, originally was thought of as a larger area designed to serve the needs of youth and adults. The new playfield, however, usually provides facilities which are capable of meeting the needs of the entire family. The playfield, perhaps, more than any other area, becomes the effort for neighborhood self-sufficiency and becomes of paramount importance in the development of neighborhood recreation patterns.

The facilities to be included in the playfield should be determined by neighborhood needs. Playfield community provide for football, basketball, volleyball, soccer and other field games; multiple use areas which can be used for outdoor basketball, volleyball, tennis, badminton, roller skating and social events. These may be lawn areas, set aside for croquet, lawn bowling, archery and the like. Sometimes, space and natural features permitting it is a very good idea to include a picnic area, an outdoor theater and possibly a bandshell. A quite extensive picnic area is set aside in the plans for our prospective playfield south of the town and natural features are most favorable for such a facility. Many playfields include a children's playground or two for use and swim

ing and writing pools are not infrequently facilities on such areas. In our case, however, we have a very fine wading pool within the confines of the Rotary Park playground and if and when a swimming pool becomes a reality in this community such a facility will likely be found in the park also.

To sum the matter up the playground serves to a minor way but the playfield serves to a major sense. The playground should be capable of taking care of all children activities plus low organization adult activities. The playfield should be able to meet every recreation need for children and adults alike, furnish the necessary facilities for highly organized and scheduled sports and games and if necessary have all the requirements of a playground within its confines. It must be remembered that there is a clear distinction between these two recreational facilities. The prime reason for either or both is public service, however, the difference lies in their methods and scope of service.

There is no doubt but a playfield and suitable playgrounds are prime requirements in any stable community. It matters little if the two are combined within the area of the playfield or are on separate basis. In our case it would seem that these facilities will be quite clearly separated, however, it would seem right that each one will more than adequately serve the purpose for which it was planned. The Rotary Community Park, the Lions Park and the new playfield just southwest of town, all three will be tremendous assets to our entire recreation program here in Drayton Valley.

### GIRLS' GYM CLUB

On Saturday, June 17th, the Junior Girls Gym Club, under the very capable direction of Frieda Leewenburgh, will give their first public performance. The show will be held in the "Frank Macdonald" Gymnasium and will get under way at 8:00 p.m., sharp. It is expected that some twenty-five or thirty girls will be on hand to display their newly learned talents.

This Gym Club was organized in November 1960 and has been operating on a bi-weekly basis ever since. All seasons are held in the local Scout Hall on Thursday evenings and Saturday mornings. The formation of this particular Gym Club for the young girls of the community was primarily Mrs. Leewenburgh's idea. At the time I was desperately looking for some suitable and interesting recreation program to meet the group

and individual needs of those little ladies. This turned out to be the answer to many of my problems in this particular sphere of the local recreation program.

Frieda got the club going and with a month she could adequate handle at one time. She was holding only Thursday evening classes then, but because of the overwhelming response, the class was divided into two different age groups and the other girls were scheduled for Saturday morning workouts.

The whole idea has been a very success over the months and certainly has filled a gap in our program here. Mrs. Leewenburgh has done a tremendous work.

## The Chapel Hour

### The Gift of Pentecost

Taken from The Covenant Messenger.

### The Holy Spirit Came

Rev. Wesley W. Nelson

It is a basic assumption among believers that a Christian's spiritual health is directly dependent upon his relationship to the Holy Spirit. Many of us sense that this is the situation before we begin to look for spiritual evidence. Of course, it is a valid assumption, and when we investigate the Scriptures we find it to be true.

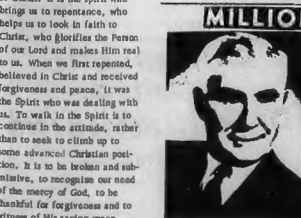

Many Christians are, however, in the assumption that the gifts and blessings of the Spirit are to be achieved through some advanced standing in a competitive age, in which success is often a mark of a man's worth. We admire "go-getters," and people who are "on the ball." We want to evaluate Christians on the same basis. People aspire to be "go-getters" and "on the ball" Christians.

This, however, is not the message to Christians. Since all God's gifts are by grace, the Holy Spirit and the life of the Spirit also come by grace. They are not necessarily granted to the most worthy or even to those who try the hardest.

A man once said to me, "I know that to be spiritual is a very simple matter. I know that it is something that comes by God's mercy. I know that all it requires is to walk in the Spirit. But the trouble with me is that I don't know how to walk in the Spirit. Therefore, I feel that I can never be a truly spiritual Christian."

This illustrates the tendency to set up qualifications which people are unable to meet, even though they sound simple. As a result people give up in their frustration and settle down to nominal, meaningless monotony. It does not go to either, good or bad, or failed so often that they have no heart to try again.

It is helpful for us, in our dilemma, to note that Paul says in the Galatians 3:3 that they began with the Spirit. They were in the Spirit when they first came to Christ. It is the spirit who brings us to repentance, who helps us to live in faith in Christ, who glorifies the Person of our Lord and makes Him real to us. When we first repent, believed in Christ and received forgiveness and peace, it was the Spirit who was dwelling with us. To walk in the Spirit is to continue in the attitude, rather than to seek to climb up to some advanced Christian position. It is to be broken and submissive, to recognize our need of the mercy of God, to be thankful for forgiveness and to witness of His saving grace.

This is an attitude which is possible to every believer. It does not require some advanced "pre-

paration" the apostles were to receive the Spirit. Thus, they were prepared in that they walked with Jesus and learned of Him. I doubt, however, that we can find evidence of any high degree of special personal preparation for Pentecost. The last description of them showed them to be sleepy, slow of perception, a jealous of one another, and of doubtful dedication. They were no more prepared to receive some special spiritual blessing than Christians in general are today. The Holy Spirit came, the apostles did not bring Him down. I doubt that even the amount of praying they did in the upper room had much to do with the coming of the Spirit. He came "when the day of Pentecost was fully come."

The one qualification was that they were there when it happened. This is a qualification we all can meet. The place of blessing is the place of meekness, humility, contrition, and trust. The Spirit came. He will still with us. His ministry is available to all who are found in the place of blessing.

Rev. Alexander Fernandez returned to the Evansburg Legion Hall for a series of preaching and healing meetings which started last Sunday at 3:30 in the afternoon, and continues each night at 8 p.m. except Saturday until June 18th. He is now in Drayton Valley, Alberta, for many of the meetings are the well-known Speed Gospel, featuring colored singing quartet singing at its very best.

Mr. Fernandez held meetings in Evansburg last fall for two weeks and at that time many testified to Divine healing as the result of his ministry. On Sundays two services are being held, one in the afternoon at 3:30 and the evening service at 8:00 o'clock.

Mr. Fernandez was held preaching and healing services all over the country. He has a huge tent that he uses in some places. A dynamic and animated speaker his campaigns have been attended by much spiritual success.

Also hear your favorite hymns of the faith sung by the consecrated choir over ARC Network and affiliated stations.

## ON DISPLAY AT VALLEY DRUG

LOOKING AT RECREATION  
(Cont. from page 6, Col. 5)

The Rotary Park Playgrounds are officially open every Tuesday and Thursday from 4:00 p.m. to 5:00 p.m., and on Saturday from 2:00 to 5:00 p.m. Shirley Steben is in charge of the going on. The wedding pool will be open this weekend - weather permitting - opening date - June 10, at 2:00 p.m. The official summer schedule for both playgrounds and pool gets underway on Saturday, July 1. - Miss Shirley Steben and Mrs. Leewenberg will be the supervisors for the coming season.

Everyone's dressed up now at least as far as our fine young baseball stars are concerned. No less than six new sets of uniforms were handed out during the past week. These new uniforms dress everyone in the six-team town-and-country league. Thanks to the Drayton Valley Lions Club who made this possible with a generous donation to the Drayton Valley Athletic Association.

### QUICK CENSUS FACTS

\*\*\*\*\*  
The 1961 Census is expected to show a population of about 18, 300, 000. This would be an increase of better than 4, 200, 000 since 1961 - the equivalent of another Province of Quebec.

\*\*\*\*\*  
Regional offices of the Dominion Bureau of Statistics working on the 1961 Census are at St. John's, Halifax, Montreal, Ottawa, Toronto, Winnipeg, Edmonton and Vancouver.

During the month of April the Hospital Kitchen was remodelled with the installation of modern equipment including a dish washer, steam table, garbage disposal unit, commercial mixer, etc.

"I wish the boys wouldn't call me 'Big Bill'." "My father was a cultured man. Every time he took me to the woods, I'd be proposed a toast." "College education usually sticks and I'm looking to be a doctor." "Bottoms up."

(Front Row, L. to R.)  
Donna Wagner, Susan Followay, Lynne VanLoosen, Joy Mersw, Elaine Lida, Gaylen Vig, Eve Naggy and Penny Couch.  
(CENTRE ROW)  
Denise Vasegosti, Brenda Briere, Sandra Gene, Christine Barnhart, Sharon Larbalestier, Linda Hinescher, Antoinette Krabbe, Louise Calhoun and Janet Bowman

In the back row we have L. to R. Barbara Henderson, Bernice McDonald, Lorraine Conn, Brenda Anderson, Bea Helms, Barbara McKinnon, Debbie Slater, Sharon Slater, and Patricia Helms.

Bringing up the rear is the girls' instructor, Mrs. Frieda Leewenberg. Not in the picture are Ronda McQuig, Joyce Randolph and Elaine Joyce.

Drayton Valley with a wonderfully full and well-rounded recreational program has still another, one that has done a wonderful lot of good for the girls in the 6 years to 12 years age groups here. These are the Junior and the Senior Girls Gym Classes the "Keep Fit" classes which have been conducted by Mrs. Frieda Leewenberg in the Scout Hall. A program is planned for Saturday evening, June 17th, in the Scout Hall. The program will wind up the classes for the season, but they are scheduled to be resumed when school re-opens the first of September.

Mrs. Leewenberg, whose husband Adrian, is employed with P. L. as Electrician, gives freely of her time in conducting the classes for which the girls pay only five cents per week. Mrs. Leewenberg also shows her great interest in children and young folk by teaching a Sunday School class in the United Church.

Don't forget that very important date, a date that is unusually important to young ladies aged six to twelve, when the Girls Gym Club "Keep Fit" Classes will hold their program in the Scout Hall at 7:00 p.m. By the way, the girls themselves chose the name "Keep Fit" class. It is fine to see girls at that age interested in physical fitness classes and wonderful to see them have the chance provided whereby they may learn the physical fitness rules as taught by Frieda Leewenberg in her "Keep Fit" Classes.

**CANCER'S DANGER SIGNS**  
The Canadian Cancer Society lists these Seven Danger Signals as possible signs of early cancer:  
(1) Unusual bleeding or discharge.  
(2) A lump or thickening in the breast or elsewhere.  
(3) A sore that does not heal.  
(4) Persistent change in bowel or bladder habits.  
(5) Persistent hoarseness or cough.  
(6) Persistent indigestion or difficulty in swallowing.  
(7) Change in weight or mode. These signs do not always mean cancer but if you see them, see your doctor. If they are caused by cancer, early treatment is essential.

Leukemia - cancer of the blood - every time it has increased sharply in men over 60. Funds supplied by the Canadian Cancer Society are used to support research on this still fatal form of the disease. Your support is needed.

# ANGELICAN CHURCH NEWS

(Cont. from page 7, col. 4)

gas and stripes. The appearance Sunday School at an o'clock will be under the direction of three of the teachers. Mrs. Thomas Cambridge, member of the Young Communicants class will speak to the children. Mrs. Peggy Taylor, Advanced Primary Teacher, will take charge of the Children's Service, and Mrs. Norma Besser, member of the Young Communicants class will read the New Testament Lesson. The eleven o'clock Sunday School service will be held in the main sanctuary and will be conducted by Begunne Superintendent Mrs. Myrtle Leckly. It will honor the Nurses, Regiments, and the first primary group.

On the preceding Sunday, June 11th, the appearance will serve their examinations on the Lessons for the previous year. For a winner among boys and a winner among the girls special recognition will be given. The winner from the Sunday School is attending the Summer Camp at Camp Kapawin.

Arrangements are underway for a Daily Vacation Bible School to be held during the last two weeks of July.

# CHURCH OF GOD NEWS

On last Sunday Evening Miss Pauline Wanner, Missionary for the Mission Church of Fort Wayne Indiana, was the guest speaker at the Church of God in Drayton Valley. Miss Wanner was introduced by Mr. Macdonald. (Dr. Macdonald has worked at the same Mission station to which Miss Wanner is presently assigned to in Sierra Leone, Africa.)

Miss Wanner gave many interesting accounts of her work among the natives of this country as well as the lepers in the region in which she worked.

It was of great interest to hear, when the natives received Jesus Christ as their Saviour, and how it changed their lives. It seemed they always left the old habits and superstitions, that had kept them in such great control and spiritual darkness, for freedom of mind and a spiritual hope. Miss Wanner, also stressed the great need for more individuals to share this vital message of Jesus Christ with those who live in heathen lands. An offering was given by the congregation to Miss Wanner to help her in the work of which our Saviour has asked her to do.

On June 18th, Mr. Jim Kay will be speaking, and then on June 26, Dr. John Woyack will be speaking in the evening services.

We extend a cordial invitation to you to attend the summer evening worship services at the Drayton Valley Church of God. Pastor J.C. Wiuff.

# THE Editor's Viewpoint

PREMIER DOUGLAS SPEAKS TO C.C.P. YOUNG PEOPLE

When Tommy Douglas, the oratorical wizard of the Saskatchewan C.C.P. party, and the logical candidate for the leadership of the party, spoke to the C.C.P. young people at the recent annual convention, he gave a speech to a group of C.C.P. young people the other night. Now, that is, of itself, not at all unusual for Tommy can and will gladly give a speech on his favorite subject, socialism, or "Stateism" at the mere drop of a coin's cap; but Tommy ranged far wider than usual on this occasion.

For years the redoubtable Mr. Douglas has contested himself within the range of the political scene in Canada as a whole. He has the right (1) to discuss the political scene in his own province of Saskatchewan, and (2) to discuss the general political scene in Canada as a whole. Perhaps the ablest thing Tommy has ever done is to discuss the political scene in his own province of Saskatchewan, and (2) to discuss the general political scene in Canada as a whole. Perhaps the ablest thing Tommy has ever done is to discuss the political scene in his own province of Saskatchewan, and (2) to discuss the general political scene in Canada as a whole.

But the verbatim Mr. Douglas was not in a bit further field in his recent speech to the young C.C.P. men, if he was quoted correctly, and we think that he was correctly quoted. According to reports the Honorable Thomas Douglas, started in his address to these young people, (and we quote) "Mr. Kennedy had better keep his nose out of Cuba; as we don't feel like fighting a war to protect the interests of the United States Company and Standard Oil" end of quote.

Now if we might make a suggestion on our own, we would like to suggest that Mr. Douglas keep his own sharp little proboscis out of United States business. Certainly, Cuba, as it relates to the United States, is U.S. business pure and simple; and it is quite unrelated to the Province of Saskatchewan, unless they wish to sell or give her wheat or beef.

Cuba is U.S. business, Cuba is less than one hundred miles off the U.S. southern mainland. The United States fought a war at the turn of this century to liberate the island from the tyranny of Spain and then freely and unreservedly gave the people of the land their freedom, unhampered, untrammelled. The naval base on the island was the result of an

agreement between two sovereign countries, and not the result of a master country dictating its will upon a satellite people.

The island economy boomed as a result of U.S. money. It became a more stable and prosperous country than any other country of the South American bloc of nations. It people enjoyed more freedom, religious political, economic and social, than any other nation in the southern hemisphere, with a Latin dictator state to obliterate the freedoms of the people, yet again. And, mark well, Mr. Douglas, that the dictator was Latin, and not Anglo-Saxon, as represented by the U.S.

But even was not entirely outside the bounds of propriety, for Cuba was still a sovereign nation, making her own choices and enforcing her own decisions. There still another Latin dictator, or, bearded and bellicose, arose to overthrow the first, but Cuba was still a sovereign state, making her own decisions, even though they sometimes were made a gun-point.

But somewhere along the line the hands of Communism suddenly broke in upon the channel. The people of Cuba, innocent pawns in a great and evil power, were sold down the river to Communism. Once caught in the Communist machine there is absolutely no release short of complete annihilation. If all freedoms, Cuba stands at that point now. Enslavement is an ugly word. That is the word for the state of the peoples of our sister country of this hemisphere, Cuba. And this is only the beginning of the enslavement.

We would like to suggest to Mr. Douglas once again that he let Mr. Kennedy handle U.S. business with Cuba. Canada will never have to fight a war to protect U.S. "money imperialism", but someday may have to fight a war to protect her own freedoms from the Communist violence who would seek to destroy, not we alone, but more particularly, the huge freedom loving democracy to

# ATTENTION Residents of Drayton Valley And District

## OPEN HOUSE will be held on Friday, June 9th from 7 - 9:30 p.m.

THE FOLLOWING WILL BE PRESENT:

Mr. L.G. Dallow, Superintendent of Treasury Branches.

Mr. L.T. Simonsen, Administrative Manager

Mr. R.G. Braden, Administrative Supervisor.

Mr. A.A. Brown will be present.

Light refreshments will be served.

Complete Treasury Branch services will be offered from June 12th.

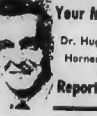

the south of us. Should, that time ever come, and God grant that it may never come, we would feel a lot more secure internally if we knew for certain the full implications of the voice of the New Party, particularly as enunciated by its generally acclaimed, even if not yet officially recognized, head, Premier Thomas Douglas presently premier of the Province of Saskatchewan, but who is, undoubtedly, dreaming of wider fields for his forensic talents.

I am sure that all of the people in my area will be heartened by this start of the portion of the Yellowhead Highway, which is the Federal Government's immediate responsibility. This follows along with the policy which was laid down two years ago when it was decided that the Bentley-Jasper highway should be privately and an attempt be made to complete this, particularly before the next major attack to complete the East West road through Jasper.

The Bentley-Jasper highway we now have under contract, and we're looking forward to a similar job of road being built to connect to the Edmonton highway.

The merchant sent his bill to a slow-paying customer with the note: "This bill is one year old." He returned with a note saying "Happy Birthday, Bill."

Trouble with most wives in a supermarket, they don't exercise self control.

# DISTRICT PERSONALITIES

(Cont. from page 1, Col. 8)

In 1904, he found the Roman Catholic administration unbearable, so he emigrated to Canada, where he arrived about two weeks before Christmas, 1902. In the year 1921 - 22 he attended the third and the fourth year of the University of Manitoba, where he was and passed about eight courses.

In 1926 he came to Alberta and was admitted to Carleton Normal School which he finished in June, 1927. Some time later he got his Permanent First Class Teacher's Certificate. During the several summers that followed he took many teachers' courses which were offered by the Department of Education, at the University of Alberta.

Among other subjects he received the mark "Excellent" for his Voice Culture, Oral English, and Public Speaking. For this the L.O.D.E. gave him a scholarship and paid his fees at the University, as well as his board and room at Athabasca Hall.

Continuing his studies, summer after summer, Kuchenko got his B.A., his Permanent High School Teachers Certificate, his B. Ed., his Secondary Diplomas of the Faculty of Education, his Permanent Professional Certificate and his Masters degree in Arts. About six years ago he finished all his courses for the Doctor's degree at the University of Ottawa, where he had written about 24 papers, receiving the following marks: 80, 70, 70, 70, 74, 74, 75, 75, 76, 76, 80, 80, 80, 81, 81, 83, 85, 87, 90, 90, 90.

Mr. and Mrs. Kuchenko have been teaching in Drayton Valley for the last five years. They have three married daughters, two married sons and fourteen grandchildren. Two of their daughters and one son hold teacher's certificates.

Mr. Kuchenko was also in the Ukraine and came to Canada as a child. She spent her childhood in Manitoba and went to school in St. John's Technical High School. She took her Normal School training in Toronto and passed five University courses at the University of Alberta. Her maiden name was Anna Perch. They were married in the Presbyterian Church in Winnipeg in the spring of 1925.

His wife Justina travelled with him to Regina on their first west of Manitoba to receive her prize, a Philco Hi-Fi Console, Radio and Record Player.

The winner was declared when A. Robinson, a prominent Saskatchewan farmer from a few miles south of Regina drew Mr. Kuchenko from the crowd.

Following luncheon in the Parish Hall, the Junior adjourned to the Alberta College Auditorium where individual groups presented a variety of songs, skits, dances, plays and pageants. Our own girls presented a short play entitled The Long Run with all members taking part.

After luncheon and sticky fingers, each group was presented with a special pennant of the 1961 A.L. Festival. The Festival was ended with a "candle-lighting" service.

We wish to especially thank the mothers who accompanied the girls and also the Rev. A.J.R. Brown, Mr. L. Deane, Mr. W. Johnson, Mrs. J. Tyler, and Mrs. S. Yatchuk who provided transportation to and from Edmonton.

Drayton Valley Home and School are making plans to get the Annual School Truck Meet underway, June 23rd, for the Elementary School. The Meet will be held on the grounds just west of the school. There will be refreshment booths on the grounds.

For this event the wholehearted cooperation of all parents is needed to make it a success. They will be needed as judges and to organize and line up the various groups.

# ALL SAINTS JUNIOR AUXILIARY

Sunday, members of All Saints Junior Auxiliary, travelled to Edmonton, to take part in the Annual Diocese Junior Festival. The Drayton Valley girls joined over 900 other Junior Auxiliary members in a Service of Worship conducted by the Dean, the Very Reverend T.W. Teape.

In All Saints Cathedral Church, Archbishop Elko addressed the girls during the Service, when he spoke of the missionary work of our young African girl in her village, and of the Apostle, Andrew, who brought his brother Peter to Jesus.

He suggested that each girl might do likewise in her own home, school, and town. The Bishop, the Rt. Reverend G.W. Birch led the Service with the blessing.

The girls for the first time were presented by Mr. G.A. McMillan congratulated the happy couple and stated:

"Farming today is fast becoming an exact science where the most modern equipment is absolutely essential to efficient, successful farming. In holding this contest, the largest ever held for farmers in Canada, we wanted to show to the farmer the many ways in which advanced engineering know-how and manufacturing techniques can make their work easier, faster and more profitable."

Mr. Priesen and his wife, the former Justina Toner were born within a few miles of Kamour, Manitoba and have lived there ever since. They were married in 1938, the same year Mr. Priesen started farming on his own. The Priesens now have a fine family of 10 boys and 10 girls. They help on the farm, although Mr. Priesen feels his two youngest girls, Gay and Lois, age 14 and 12 may not be too much help just yet. The other members of his family are, Sharon, Bert, Ernie, and Dorothy Anne.

Mr. Priesen is presently endeavoring, in his spare time, and with the help of others to train a group of local boys into a well formed and winning ball team.

Mr. Priesen was more than excited at being selected the prize winner. He said he felt humble and couldn't quite understand how he could be fortunate enough to win such a wonderful prize, but added proudly that he will have no trouble putting his new Case machinery to use on his 475 acre farm.

His main crops for the last 15 years have been flax, sunflower, and wheat.

Today is "The Day to Be Remembered" for 89 years old Peter H. Priesen of Kime, Manitoba. Mr. Priesen was selected as the Western Canada winner in the \$30,000 farm equipment contest and was presented with his share of the prize consisting of \$15,000 in Case Farm Machinery.

His wife Justina travelled with him to Regina on their first west of Manitoba to receive her prize, a Philco Hi-Fi Console, Radio and Record Player.

The winner was declared when A. Robinson, a prominent Saskatchewan farmer from a few miles south of Regina drew Mr. Priesen from the crowd.

After luncheon and sticky fingers, each group was presented with a special pennant of the 1961 A.L. Festival. The Festival was ended with a "candle-lighting" service.

We wish to especially thank the mothers who accompanied the girls and also the Rev. A.J.R. Brown, Mr. L. Deane, Mr. W. Johnson, Mrs. J. Tyler, and Mrs. S. Yatchuk who provided transportation to and from Edmonton.

Drayton Valley Home and School are making plans to get the Annual School Truck Meet underway, June 23rd, for the Elementary School. The Meet will be held on the grounds just west of the school. There will be refreshment booths on the grounds.

For this event the wholehearted cooperation of all parents is needed to make it a success. They will be needed as judges and to organize and line up the various groups.

Mr. Priesen was more than excited at being selected the prize winner. He said he felt humble and couldn't quite understand how he could be fortunate enough to win such a wonderful prize, but added proudly that he will have no trouble putting his new Case machinery to use on his 475 acre farm.

His main crops for the last 15 years have been flax, sunflower, and wheat.

Today is "The Day to Be Remembered" for 89 years old Peter H. Priesen of Kime, Manitoba. Mr. Priesen was selected

## SUMMER SALE

### THUR. FRI. JUNE 8, 9, 10 SAT.

Shop in person for these Summer needs at The Bay or order by phone or mail... just quote the number of your selection and we will deliver it

## NEWS ADVERTISER

Vol. 6 No. 23 June 14, 1961 A. Playford, Publisher. Box 180, Drayton Valley.

### LEGIONAIRES DUMP BRETON 9-3

The Drayton Valley Legionaires got off to a slow start but soon picked up the slack in the ninth to take a 9 - 3 victory over Breton last Sunday afternoon. The game was played at the Legion Baseball Park.

The Legion boys never looked back as they added two runs each in the seventh and eighth innings to make the final score read 9 - 3 in their favor.

Harry Antoni, Lavens Morike and Brule Bouillon led the home town with two runs each. Ron Parry hit a triple bringing home two runners and got a run himself while Ken Wallace and Les Tucker accounted for the other two scores. Murray Des was credited with the victory. The Legionnaires next start is on Wednesday evening when they travel to Warburg for an evening game.

Breton started strong and at the end of the first inning held a 3-1 lead. From here Ken Wallace took over on the mound and the tide started to run in favor of the home team. However, it was not before the sixth inning that the Legionnaires were able to tie the score and eventually take a 5 - 3 lead. By this time Murray Des was doing the pinching and backed by his steady left arm.

### NEW BANK OPENS

Drayton Valley's newest acquisition for the business district, the new Provincial Treasury Branch, which opened Monday in the former Government Liquor Store building is getting underway with Manager A.A. Braden rapidly getting acquainted with people of the town and district.

On Friday night, June 8th the bank had an official opening with members of the Drayton Valley W.L. serving coffee and doughnuts; approximately 360 were shown through the fine new bank building at that time or just previously.

An enormously heavy vault door has been constructed; it is said to be one of the heaviest ever.

Five bank employees will staff the bank at the outset, with adequate room provided for additional staff as needed. Manager A.I. Braden hails from Lethbridge, Accountant George Lane is from Vegreville and Talier Arnold Erickson is from Westbush. Miss Sylvia Latimer is ledgerkeeper and stenographer is Mrs. Marian Helplin.

Cont. next column.

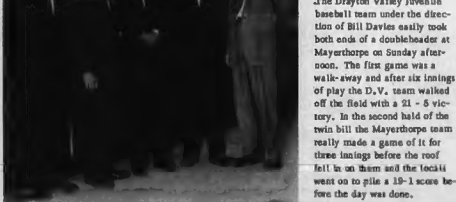

Min Lane travels thousands of miles across Canada each year addressing French and English speaking women's group on the subject of car travel.

In addition to her speaking engagements she appears on radio and television shows and edits a weekly newspaper column, "Tips on Travelling" and a weekly radio column "Travel Tips", both of which are widely circulated. Admission is free and lunch will be served.

### D.V. JUVENILES

**D.V. JUVENILES SWEEP DOUBLEHEADER.**  
By Mike Gormley.

The Drayton Valley Juvenile baseball team under the direction of Bill Davies easily took both ends of a doubleheader at Mayersbrook on Sunday afternoon. The first game was a walk-away and after six innings of play the D.V. team walked off the field with a 21 - 5 victory. In the second half of the twin bill the Mayersbrook team really made a game of it for three innings before the roof fell in on them and the local went on to pile a 19-1 score before the day was done.

The victory put the Valley team in first place in the league standings. This Northern Juvenile Cont. page 3, col: 3

## HOSPITAL BOARD BANQUET

Dr. Wallace of the Department of Health, addressing the gathering at the D.V. Municipal Hospital Board Banquet.

Drayton Valley Municipal Hospital Board was host for a banquet which was served in the Cardium Room on Friday evening last when over one hundred guests and hospital officials gathered for the dinner, which may become an annual affair.

Seated at the head table were Dr. J.D. Wallace, of the Department of Public Health, who was taking the place of Hon. J. Donovan Ross, Minister of Health who was unable to be present for the meeting. Mr. Foster, an assistant director in the Department of Public Health, Mrs. Wallace, Mrs. Foster, Mr. and Mrs. Don McKenzie, Mayor and Mrs. Adrian Meier, Dr. and Mrs. Brooks, Mrs. C.W. Woods, M.L.A. and H.T. Deby, development officer for L.D., '77, 78 and 80, Don McKenzie, chairman of the hospital board acted as master of ceremonies and introduced the head table.

Mrs. MacInnes was introduced as the president of the Hospital Auxiliary, and Mrs. C. Schneider was introduced as president of the A.A.R.N. Dr. Brooks spoke very interestingly of the first days here in the beginning of the oil boom here when, with all the rigs working around here, there was an unusual demand for medical attention, and yet, with the executive talent and very poor road conditions it was hard to reach patients or to get them out to hospital in Edmonton when necessary. During those days helicopter and airplanes were used more than once in taking badly injured patients into Edmonton. He told of how he

had often taken as many as four patients at one time in his station wagon into Edmonton hospitals. He spoke also of the first beginnings of action towards getting a hospital in Drayton Valley and the formation of the Hospital Board. Dr. Brooks mentioned the early work done by Margaret Colding, who is now Mrs. L. Stordalvold in the Nursing Station with the Anglican Mission here; how she would often travel by horseback to attend to a patient or her faithful horse "Dolly".

Mrs. Woods stated that Alberta was one of the first governments to have hospital aid, when they passed the Hospital Act in 1917, and established the first Municipal Hospital in 1919. She spoke of her own efforts to persuade the present government to establish a municipal hospital in Drayton Valley. Another speaker Mr. Foster, spoke on Hospital Grants, and Dr. Wallace concluded the dinner meeting with a speech in which he spoke of the excellent work done by smaller hospitals and that very often more personalized care was given to the patients in the smaller hospital than in the larger ones.

Hospital Secretary - Treasurer Lyn Kramer read messages of regret for absences, which included a message from Dr. Ross, and one from Dr. Horner, M.P. Members of the Hospital Board were introduced. They included Otto Guse, for the Drayton Valley district, Fred Suster for the Rocky Rapids district, L. Stordalvold for the Violet Grove district, Henry Deby, for the Improvement

(Cont' page 3, Col. 1)
